

# WELL CHILD INTERNATIONAL

*Attention HOSA & High School Students!!*

**WE NEED YOU--YOU NEED US 😊**

**WE NEED YOU** because Well Child International (WCI) provides health care for thousands of women and children annually – but we can't do it without **YOU**. We train HOSA (College AND High School) students to do house-to-house assessments/visits, school seminars for children, children's health fiestas, and assist in neighborhood clinics in poor areas.

**YOU NEED US** because we provide invaluable global health care experience, seminars and training in tropical medicine, access to health care facilities, and a letter of recommendation for your service.

**NO air travel required, we van you from Phoenix and/or Tucson.**

**WCI likes to makes sure we not only work hard -- we PLAY hard 😊. Beaches, salsa lessons, nights on the town (supervised), shopping, snorkeling, ATVS, Kayaking, "banana boats", etc. We also offer seminars in tropical medicine/med Spanish/triage, community health, etc.**

**We can help fund you through being an ambassador or crowd funding. MOST students get partial or full funding. We also offer discounts for HOSA chapter sponsors and/or parents.**
